

YOM HASHOAH PROGRAM WITH PRESENTER JOHN KENRICK

Schinder's List: "Whoever Saves One Life Saves the World Entire"

Monday, May 6th @ 12:30 pm

Wayne YMCA Community Room

Program Description: How did a broken briefcase lead to the world learning about a philandering Nazi who saved more than a thousand Jews from extermination during World War II? And how did director Steven Spielberg turn this story into a cinematic classic? Entertainment historian John Kenrick pulls back the curtain on this film, with a multimedia talk featuring clips from the movie and stories from those who were part of the project. A heartfelt celebration of a film that reminded the world what an individual can do in the face of social evil.

This program is free and open to the community thanks to the generosity of the Jewish Federation of Northern New Jersey.
