

KLEZMER MUSIC WITH T-KLEZ

Thursday, May 2nd @ 1:00pm
Wayne YMCA Community Room

Join us for live music with the NJ-based T-Klez for traditional klezmer music - tunes your grandparents may have heard at their wedding both lively ones for dancing and contemplative ones for listening - plus a familiar song or two!

David Licht on percussion is a founding member of the world-famous Klezmatics. He juggles his painting business with an active local and international performing schedule.

Psachya Septimus, accordion and voice, has been an in-demand performer on the Jewish and Hasidic scene for over 37 years.

Dobe (Dena) Ressler, clarinet, has taught at several Yiddish music camps and festivals.

This program is free and open to the community thanks to the generosity of the Jewish Federation of Northern New Jersey.
